

## Consolidation Service

To optimizing your supply chain

## **COST-EFFICIENT. RELIABLE. FULL TRANSPARENCY.**

Your shipments do not fill an entire container? No problem!  
We can still transport them for you at low costs worldwide.

LCL becomes FCL: With our **consolidated containers**, we combine your goods and commodities across Europe and export them overseas as cost-effective **full containers**.

### **Our Buyer's Consol Services at a glance:**

- Reliable complete processing of your shipments
- Consolidation of your goods and commodities throughout Europe
- Collection by IDS to the Rieck-HUB in Grossbeeren
- Selection and packing of suitable containers in our own warehouse
- By train from Grossbeeren or by ship from Hamburg to the port of destination
- Handling of all customs and transport formalities by our experts
- Reduction of LCL shipments
- Easy shipment tracking and full transparency
